

Artifact Investigation

1) What does the bag/box look like?

2) Can you make any inferences from the box? (What does the box tell you about the person?)

3) Look at the artifacts in the box. In the first column, give a description of the artifact: describe what you see. In the second column, write any inferences you can make about the person from the artifacts.

4) Can you tell anything about this person's family or environment from the artifacts or box?

5) What do you think is the best claim you could make about this person based on your inferences from all the artifacts and the box?

6) Write an ACE strategy paragraph about the person using the artifacts as evidence.
